Sara Burden of **Walden Businesses, Inc.**, said: "In the midst of the "chicken little" environment we are living in currently, it was a joy to work with Karen and Don. Every few days we would get thrown a new curve ball, and they both responded openly to whatever solution might help us get to our goal. I couldn't have asked for greater cooperation and understanding. You are both totally awesome!

Seller, Karen Gann, shared: "From the initial visit with Sara Burden we knew we were in good hands. Sara (and her team) were all extremely professional and kind, a rare combination. We met with several buyers after they were thoroughly vetted. There was never any pressure to accept offers; just much appreciated advice and counsel. Sara's patience and guidance were instrumental in walking us through each step. Her hand-holding was greatly appreciated! We successfully sold our company and are more than thrilled with the service we received throughout."

Buyer, Don Benton, said: "It was a great pleasure working with Sara. Her expertise and advice made the entire process much easier and she always had the best interest of both the sellers and buyer. I would gladly recommend Walden Businesses to anyone looking to acquire or sell their business."
