

Walden Businesses Welcomes

Todd Thompson, Principal

Walden Businesses is pleased to announce the addition of Todd Thompson as a mergers and acquisition professional with the Walden team. Todd has over 35 years of business experience in the materials management field. His proficiency includes an executive leadership position with an international aircraft engine MRO facility in supply chain and materials management. Todd brings a vast knowledge of sales, inventory management, asset management, production control and parts distribution experience on both a regional and national level.

Throughout his career, Todd has brought a detailed focus to every position. He will apply this attention to detail to his clients and ensure a level of confidence in every opportunity being evaluated. Clients can rest assured that with Todd's broad business history, they will receive thorough and professional recommendations.

Todd is married with four children and five grandchildren. His family is his primary pastime, but he also loves to travel and has been to many European and Mediterranean destinations.

He attended Bob Jones University with a major in Business Management.
